Life is good, you should enjoy it !!

- I like visiting popular beaches where I can get by car or is well connected with the public transport. I Love to surf whenever I get a chance to. I am also up for Nudism Beaches.

Family is everything, we should appreciate every moment !!

- I feel comfortable with getting to a beach by car. I love beaches that are calm. I like making sandcastles with my husband and can leave my daughter in a play area where she can enjoy and is also safe.
